Robert A. Falconer, Esq., M.A., L.L.D.,
President, University of Toronto,
Toronto, Ontario.

My dear Mr. President:-

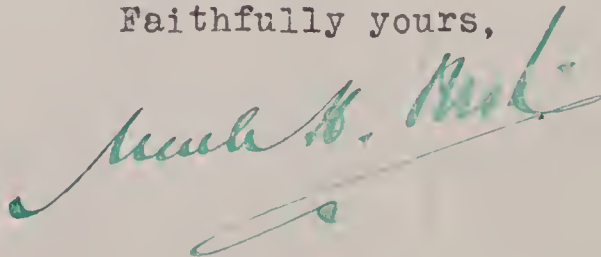

I have your favor of the 30th,
ultimo.

I am afraid there are a good
many deserving enterprises to be overlooked this Winter
in favor of those which seem to present a more urgent
call, but I should hate to feel that the University
Settlement would suffer, and it gives me pleasure to
enclose cheque for a renewal of last year's subscription.

With best wishes and personal
regards, believe me,

Faithfully yours,

MHI/ML.

Dear Mrs. Lloyd:

I have delayed too long sending you copy of the report of the Settlement on which already I have put a great deal of time. It seems to me that we should have the report printed such as you have abridged it, but I am sending it to you for any further abridgment you may think wise to make. I spoke to Mr. McLean about the cost of printing it, and he agreed with me we ought to have it done at once.

With kind regards, I am,

Yours sincerely,

President.

I am glad to be able to congratulate
the Old Boys of the University
Schools on the fact that already
such a strong school spirit is
manifesting itself. Those who come
in at the beginning have a great deal
to do in determining the future char-
acter of the school, and if the old
boys continue to keep an interest
in their school they will also help
their successors to strengthen the
good traditions which they had a
share in establishing.

Dr. Jamieson, M.P.F.,

Parliament Buildings, Toronto.

Dear Dr. Jamieson:

I am enclosing two tickets for Dr. Mott's sermon, one for Mrs. Jamieson and one for Mrs. Pearst. I have written on the back that they will be good for entrance by the north door of the examination hall in the rear of the Convocation Hall. The ladies should be there pretty early, probably twenty minutes at least before the hour, because there is certain to be a large crowd.

Yours sincerely,

President.

G. C. Keith, Esq.,

Canadian Natural Clay products' Association,

32 Colborne Street, Toronto.

Dear Mr. Keith:

I have to thank you and through you the Clayproducts' Association for your kindness in sending me a ticket for the Annual Banquet which is to be held on Thursday evening, January 26th. I regret however that I have another engagement of some standing for that evening so that it will be impossible for me to be with you. I hope that the meetings of the Association will proceed satisfactorily, and that you will have an enjoyable banquet. May I ask you to be kind enough to express my regrets to the President.

Yours sincerely,

President.

Dr. C. B. King,
67 Beatty Avenue,
Toronto.

Dear Dr. King:

It was only at the end of the week that we finally decided what to do with regard to the Oriental Department for next winter. A position has been offered to a gentleman of distinction in the Semitic field who I think will be willing to accept, though we have not yet heard from him. I think therefore that there is not any likelihood of our being able to offer you a position on the staff at present inasmuch as on account of our financial condition we shall not have more than one appointment made for the coming year.

With kind regards, I am,

Yours sincerely,

President.

Rev. W. J. Knox,

287 Hyman Street,

London, Ont.

My dear Mr. Knox:

Ever since coming to Toronto I have had to make it a rule to take no services on Sunday apart from those in the University. It is necessary, therefore, for me to refuse your invitation, otherwise I should get myself into difficulties. With kind regards, I am,

Yours sincerely,

President.

Rev. D. Lang,
1083 Ogden Street,

Denver, Col.

Dear Mr. Lang:

Many thanks for your letter enclosing the application from Dr. Isya Joseph. I am writing to Dr. Moore whom Dr. Josett gives as a reference. I do not know that we shall need any one to fill Dr. Penzinger's place, because I am making enquiries for an exchange, but it is possible that there may be need of getting some one to aid next session.

I hope that you are enjoying your new field of work, and remain with kind regards,

Yours sincerely,

President.

Dear Sir:

As far as I can tell at present
there seems to be no likelihood of an opening
in the department of Economics for the coming
academic year.

Principal A. B. Lillie,
Collegiate Institute,
Orillia, Ont.

Dear Principal Lillie:

I shall be very glad to be with you at Orillia next Friday, and I have much much pleasure in accepting the kind invitation to stay with Mrs. Lillie and yourself that evening. I shall leave here on the 11:30 train, and you may expect me in the course of the afternoon. I am afraid that I shall not prove a strong counter-attraction to a hockey match, but I shall be interested in speaking to those who are concerned with the present situation, who in the past have influenced the public opinion of my country.

Yours sincerely,

President.
